Class of 2023 Notes

- All U.S. race/ethnicity data is shown as a percentage of U.S. citizens and permanent residents.
 - Students who identify as American Indian, Alaska Native, Native Hawaiian, Other Pacific Islander, Asian American, Black/African American or Hispanic/Latinx.
 - Students who identify as American Indian, Alaska Native, Native Hawaiian, Other Pacific Islander, Black/African American or Hispanic/Latinx.
 - Compensation information is self reported. Of students reporting accepted offers, 96.2% included salary information.
 - Of those reporting salary information, 78.8% reported receiving a signing bonus and 7.2% reported receiving a guaranteed year-end bonus. In order to be noted in tables for Signing Bonus, function and industry must have at least 50% reporting signing bonus.
 - One hundred percent of students reporting accepted offers included job industry and function; 98.1% of students reporting accepted offers included region.
 - "Other" function consists of Law (1.5%), Information Technology (1.1%), Real Estate (0.8%), Social Impact (0.4%), Human Resources (0.4%), Public Policy (0.4%), and Healthcare (0.4%). Please note that this year Sustainability as a function was incorporated into the General Management function.
 - Across all industries, 6.2% of accepted jobs were in nonprofit and not-for-profit organizations including ones that are reflected above in Consulting, Investment Management, Healthcare, and Media/Entertainment
- * Asterisk indicates insufficient data or data not published to maintain student privacy.

Class of 2024 Notes

- Of students accepting internships, 6 (2.0%) reported having multiple internships.
 - Of students accepting internships, 1 (0.3%) also reported starting their own venture.
 - All U.S. race/ethnicity data is shown as a percentage of U.S. citizens and permanent residents.
 - Students who identify as American Indian, Alaska Native, Native Hawaiian, Other Pacific Islander, Asian American, Black/African American or Hispanic/Latinx.
 - Students who identify as American Indian, Alaska Native, Native Hawaiian, Other Pacific Islander, Black/African American or Hispanic/Latinx.
 - Compensation information is self reported. Of accepted offers, 95.2% included salary information. Of those, 8.1% reported receiving no salary. Salary data presented above represents students who reported salary information and were paid a salary. Of reported paid and unpaid salaries, 9.1% were expected to be supplemented by the Yale SOM Internship Fund, a donor-supported fund that provides financial support to students who pursue summer internships in the public or nonprofit sector. This funding is not included in the salaries presented above. Of reported internship salaries, 4.7% were expected to be supplemented by funds from the Small Business Internship Program (SBIP), a special fund for students exploring opportunities in for-profit small businesses.
 - One hundred percent of accepted offers included job industry and job function; 96.8% included job region; 1.9% of internships were reported as being fully remote.
 - "Other" function consists of Law (1.6%), Information Technology (1.3%), Research & Development (1.0%), Real Estate (0.6%), Healthcare (0.6%), Human Resources (0.3%), and Engineering (0.3%).
 - Across all industries, 8.0% of accepted internships were in nonprofit and not-for-profit organizations, including ones that are reflected above in Consulting, Finance, and Healthcare
- * Asterisk indicates insufficient data or data not published to maintain student privacy.
