Graduate Work Visa for International Students

Ireland is one of the only European countries to provide a two year graduate work visa. The Irish Third Level Graduate scheme exists to allow legally resident non-EEA third level graduates to remain in Ireland for the purpose of seeking employment and applying for a green card or work permit. The Irish Naturalisation and Immigration Service provide full details and FAQs on their website. Visit the [Irish Naturalisation and Immigration Service](#)'s website to learn more. The [Trinity Careers Service](#) also provides information on their website.
