Career development

The IMD MBA Career Development Center (CDC) collaborates with elite recruiters to introduce you to a spectrum of vibrant career prospects. We're here to support you as you explore and navigate your individual career path.

Insights

Introduction

Become a visionary leader, equipped to address the ever-evolving challenges of today and tomorrow.

Are you aiming for a purpose-driven role on the global stage? At IMD, we provide the platform for you to flourish and evolve into a forward-thinking leader, ready to tackle current and future challenges.

In today's competitive business environment, companies are on the hunt for dynamic individuals who can make an immediate difference and ascend to the top tiers within the next decade.

Each year, we collaborate with 60-70 companies who participate in our MBA recruiting events. We build strong relationships with these companies, gaining insights into their unique cultures, recruitment needs, and hiring styles. This enables us to facilitate meaningful connections that guide you towards informed career choices.

At IMD, we're committed to helping you chart out and realize your career aspirations.

Personalized career guidance and strategic planning sessions

Engaging workshops and tasks to hone essential career development skills

Recruitment events leveraging the worldwide IMD network

Preparation

Prepare for the recruiting world

All year round, our dedicated career development team equips you to build a robust foundation, devise a strategic career plan, and get you ready to engage with international recruiters.

We utilize our prime position within IMD to link you with subject matter experts, faculty, resident executives, and our diverse alumni.

Contact us

This rich blend of experiences aims to broaden your perspective and multiply your career opportunities.

Your IMD MBA is more than a qualification, it's a pathway to a thriving, future-proof career in business world.
